TEKSPORT

Xplore 330 Fishing

STABLE & SEAWORTHY

Capitalising on the Xplore's exceptionally stable, sea worthy, and comfortable platform. But for angling.

The Angler edition has been carefully designed whilst consulting with leading kayak fishermen to bring you the perfect package to Xplore the exciting world of kayak fishing.

With it's large rear tank well, twin rear facing rod holders, and carefully designed centre console- the Xplore is more than capable of keeping up with you as you become increasingly hooked on this exciting new sport.

The large bow hatch will ensure you can safely stow all your camping and cooking equipment, and the waterproof day hatch will look after your wallet and car keys- meaning all you have to do is think about the next catch.
